FOR VIP SUPPORTERS ONLY

December 2025

Dear VIP Supporter

Your loyal support means so much to us. It's thanks to you that our charities can keep going!

As we move towards the end of the year, I'd like to take a moment to thank you sincerely for your support. Your monthly donation continues to provide essential help to our charities allowing them to provide their life-changing work across South Africa. We cannot thank you enough!

Our charities are busier than ever!

To see what our charities have been busy with recently, please head over to the News section on our website www.thecharitycircle.co.za. That's where you'll find updates on some of the projects and work you're helping to make happen.

Yes, thanks to your regular contributions, our charities have been able to be very productive this past year and, as well as providing substantial physical and psychological support and care throughout our communities, they have been bringing hope and comfort to those who need it most. We're truly grateful to you.

Of course a little extra support in 2026 would go a long way but if it's not the right time, we completely understand.

Over the past year we've seen the need for our assistance grow rapidly. With rising costs, many of our charities are under pressure to do more with less. We haven't asked for an increase in your contribution since 2022, so if you can increase your monthly donation now by a few Rand, to take effect in 2026, we'll be thrilled. Whatever you decide today, if at any time you need to update your personal details or make any recommendations or suggestions, please send us an email to vip@thecharitycircle.co.za or use the contact page on our website. It would be lovely to hear from you.

We wish you all the best for the coming year and thank you once again for making a difference in so many lives.

Yours sincerely

Yolandé Oosthuysen
